# Belated handwarmers

## SIZE

Women's Medium (see Note on Gauge)

## MATERIALS

Manos del Uruguay SILK BLEND (70% merino, 30% silk; 50g, approx. 150 yds), 1 skein. Shown in 3064 Pewter.  
Dpn, US 4/3.5mm, or size to obtain gauge  
Cable needle  
Stitch holder

## GAUGE

6 sts and 8 rows = 4"/10cm over Stockinette Stitch  
7 sts and 8 rows = 4" over Wide Rib, unstretched

## NOTE

Like most gloves and handwarmers, these are designed with negative ease: when worn, they are stretched by the wearer's hands. The best way to adjust the sizing is to adjust the needle size – for Women's Small or Kid's Large, use US 3/3.25mm ndls; for Women's Large, US 5/3.75 mm. The rib and cable pattern gives the fabric a lot of flexibility.
